your
file!

B. Video clips

Take picture using device or
select from stored pictures

Take video using device or
select from stored videos
(videos should not exceed 90
seconds or 1 $\frac{1}{2}$ minutes!)

C. Audio

The screenshot shows the 'Quick Capture Audio' app interface on an iPad. The app has a green header bar with a hamburger menu icon on the left, the title 'Quick Capture Audio' in the center, and a share icon on the right. Below the header, there are two text input fields: 'Filename:' and 'Notes (Optional):'. A central timer displays '00:00'. To the left of the timer are two buttons: 'Start Recording' (green) and 'Stop Recording' (grey). To the right are 'Start Playback' (grey) and 'Stop Playback' (grey). Below the timer is a 'Reset Audio Recorder/Player' button. At the bottom right, there is an 'Add to Existing' button. The bottom of the screen features a green dock with a 'Reminders' app icon and a 'More' button with three dots. Red arrows point from external text labels to these specific UI elements.
