

## Suggested Ipad set-up steps for Ed Inform

1. Select Canada & English
2. Create a passcode.
3. Can set-up Ipad as "new ipad" & Select "Don't have an Apple ID or forgot it?" ... "Create a Free Apple ID"
  - use your groupwise (@sd28.bc.ca) or Google (@sd28.org) account and include birthdate
  - \*\*Remember and/or write down passcode & Apple ID username and password\*\*
4. Don't use/set-up Siri or thumb print verification system
5. Use your cell phone or school phone number for verification call or text.
6. On Ipad homepage, go to "Settings" and set "Display&Brightness" to more than 2 minutes for time-out

7. Adjust "Camera" settings to a lower resolution for video as this will improve the video compression process and video quality for using Ed Inform.

Change to:

720p HD at 30 fps

1080p HD at 30 fps

- A minute of video will be approximately:
- 60 MB with 720p HD at 30 fps (space saver)
  - 130 MB with 1080p HD at 30 fps (default)

8. Go to AppStore and search for "Ed Inform."  
To review your Appstore account, omit credit card info but include address and phone number information (school info).

9. Ed Inform set-up (on entering App for first time):

\*Allow Ed Inform to send notifications, access to photos, microphone, and use camera

10. Go to bottom corner  and go to App Settings to change "Quick Capture Default Behaviour" to "None" or "Camera Roll"
